Dear parents and carers

Yesterday the Acting Premier has announced new circuit breaker restrictions for Victoria to swiftly address the recent COVID-19 outbreak.

The restrictions will be in place for a seven-day period.

Following advice from the Victorian Chief Health Officer, all Victorian schools will move to a period of remote and flexible learning from Monday 31 May to Thursday 3 June inclusive.

During this remote and flexible learning period we will be teaching students in the following ways:

- P-6- Students will be emailed work by their teacher and students and parents can communicate via email
- 7-12 Teachers will be either running classes via Microsoft Teams or posting work on the Microsoft Teams platform. Students and parents can communicate with teachers via Microsoft teams
- Specialist students will work from work packs and teachers will be in contact over the course of the week.

**As with other remote learning periods, our school will provide on-site supervision for students in the following categories:**

- **Children where both parents and/or carers are [authorised workers](#) who cannot work from home, work for an essential provider and where no other supervision arrangements can be made:**
  - Where there are two parents/carers, both must be authorised workers, working outside the home in order for their children to be eligible for on-site provision
  - For single parents/ carers, the authorised worker must be working outside the home in order for their children to be eligible for on-site provision.
- **Children experiencing vulnerability, including:**
  - children in out-of-home care
  - children deemed vulnerable by a government agency, funded family or family violence service, and is assessed as requiring education and care outside the family home
  - children identified by a school or early childhood service as vulnerable, including via referral from a government agency, or funded family or family violence service, homeless or youth justice service or mental health or other health service.

If your child requires on-site supervision, please use the following link to book them in:
