Dear Parent/Guardian

Re: 2025 Years 7 & 8 Voluntary Financial Contributions

Maryborough Education Centre (MEC) is looking forward to another great year of teaching and learning and would like to advise you of MEC's Years 7 & 8 voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to continue to provide:

- a greater offering of subjects and special curriculum experiences
- enhanced digital learning opportunities, and
- access to the latest software and technology to allow students to maximise use of their Bring Your Own Device within the school.

For further information on the Department's Parent Payments Policy please see the one-page overview attached or go to [Parent Payment Policy](#).

Yours sincerely

David Sutton
